Re: COVID 19 Protocols

-
1. All Jockeys, Gate Crew, Valets and Jockeys Room Personnel must be vaccinated against COVID-19 or submit new Covid Test results every Wednesday.
 2. As a reminder any unvaccinated employee will not be paid for any time off due to Covid-19 exposure or positive test results.
 3. Jockey Agents and Owners will be allowed backside access.
 4. The Racing Office will be off limits to anyone that does not work in the Racing Office. Entries will be taken via phone and the draw will continue via ZOOM. To drop off papers, silks etc., a window service will be implemented.
